

Undergraduate Students at a WCUMSS Member University (UVic, UBC, SFU, UAlberta, UCalgary)

Register at your home university for the course(s) for which you have been accepted.

Your university course registration numbers will be included with your acceptance message from BMSC. Specific information for each WCUMSS member university can be found below:

University of Victoria students:

You will need to login to [UVic MyPage](#) to register. For more information about registration, see the [Undergraduate Student Registration Guide](#). If you have trouble registering (i.e. trouble with pre-requisites), contact the BMSC [University Programs office](#).

University of British Columbia students:

Before March 31st, login to the [UBC Student Service Centre](#) using your CWL account to pay your registration deposit. In early April, the zoology secretary will register you for courses.

UBC Okanagan students:

Before March 31st, login to the [UBC Student Service Centre](#) using your CWL account to pay your registration deposit. In early April, the zoology secretary at UBC Vancouver will register you for courses.

Simon Fraser University students:

Visit the [SFU student webpage](#) for enrollment information. You will need to login to the [Student Information System](#) using your SFU computing ID and password.

University of Calgary students:

Visit the [UC registrar webpage](#) for enrollment information. Login to your [myUofC](#) using your eID and password and follow the link to your online **Student Centre**. For more information about registering for courses at UC, see the [Online Registration Guide](#).

University of Alberta students:

Web registration is closed. To register, contact the [Undergraduate Program Assistant](#), located in the Biological Sciences Building, room CW 405. The office is open from 8:15 till 4:10 (open during lunch).
